WWW.TEJASDESTROYERS.COM

Founded by Kelsey Stone and Alex Boogren in 2021, Tejas Destroyers is a multi-disciplinary abatement and demolition company, located in Leander, TX. We specialize in asbestos abatement, mold remediation, lead-based paint stabilization and removal, and demolition services. We serve a multitude of clients in Texas, including state and federally owned facilities, universities and colleges, independent school districts, as well as privately-owned commercial and residential developments. We are proud to be one of the few Certified Woman-Owned and HUB contractors in the Lone Star State.

CORE COMPETENCIES

- ✓ Asbestos Abatement
- ✓ Mold Remediation
- ✓ Lead-Based Paint Stabilization + Removal
- ✓ Complete/Structural Demolition
- ✓ Interior Demolition
